FILIAL PLAY COACHING

PRICE

Per Session
16 week average
treatment cost*

£50.00
£800.00

Meet with us to plan a project designed to meet the needs of your child with a free 15 minute telephone consultation. Costs above are for 1:1 Play and Creative Arts Therapy sessions with children or Filial Play Coaching with parents.

*Minimum commitment of 12 sessions for 1:1 Play Therapy. Average treatment length is 16 sessions but your child may need more than this. For further information on Play Therapy and Filial Play Coaching visit our website:

www.powerofplaytherapy.co.uk

All material costs are included in the price. Referral interviews and reviews are charged at £60 each. An optional final report is also £100. All inclusive session rate of £75 is recommended.

"Thank you for giving us back our son. We didn't know what else to do! We cannot thank you enough."

Parent comment during the final review of the completion of 12 sessions for a 9 year old boy who had suddenly become withdrawn, anxious and defiant.

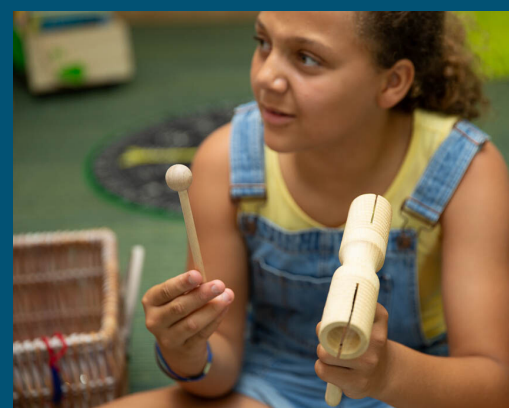

20% reduction

is currently being offered to families who contact POP for a free 15 minute telephone consultation in January 2020. Reducing av. prices to £768

Grants

Contact us about possible sources for grants and financial support
